

New Video Effect! AKVIS OilPaint Video 1.0: Oil Painting Technique for Movies

May 13, 2022 – AKVIS announces the launch of a new plugin for video editing programs. AKVIS OilPaint Video 1.0 turns a video into an animated cartoon with the oil painting technique. The plugin works with the most popular video editing programs on Windows and Mac.

AKVIS offers astonishing effects for images and videos. The video editing plugins allow users to stylize videos with various painting and drawing techniques. The artistic effects will make any video striking and attention-grabbing.

New [AKVIS OilPaint Video](#) allows users to apply oil painting techniques to compositions and movies.

The oil painting technique gives a special mood and charm to videos, it fascinates and delights viewers. After processing with the OilPaint Video plugin, movies look like they could have been created by a real artist.

AKVIS OilPaint Video is an indispensable assistant in creating engaging video content, family videos, music clips, video games, advertising and promo videos, and other projects.

With the new plugin it's easy to imitate the artistic technique of oil painting. The software comes with a rich collection of ready-to-use presets. Users can apply one of the AKVIS presets or configure the parameters and create a new oil effect.

The software is a plugin for video editing programs and can be used with Adobe Premiere Pro, After Effects, DaVinci Resolve, Vegas Pro, EDIUS Pro 9, and Natron. It is installed into the video editing programs expanding their functionality and user creativity.

The new software is available for download at [akvis.com](#). The 30-day trial lets users try the effect without activation. Download the plugin and start creating animated cartoons in the oil painting technique.

AKVIS OilPaint Video runs on Windows 7, 8, 8.1, 10, 11 and macOS 10.12-12.0 - 64-bit. The plugin offers a multi-language user interface.

AKVIS OilPaint Video comes in two versions: Home (\$ 49) for personal use and Pro (\$ 69) for commercial use. The new product joined the [AKVIS Video Bundle](#) that includes five video editing plugins with the 30% discount.
